

Normal

Some people think cartoonists are eccentric weirdos who live in their little fantasy bubbles. But if you meet us in person we are, in fact, incredibly normal. As evidence, I offer this gallery of my activities to demonstrate just how average and 100% usual we are. As I always say: "Drabness is goodness."

Here I am answering the telephone.

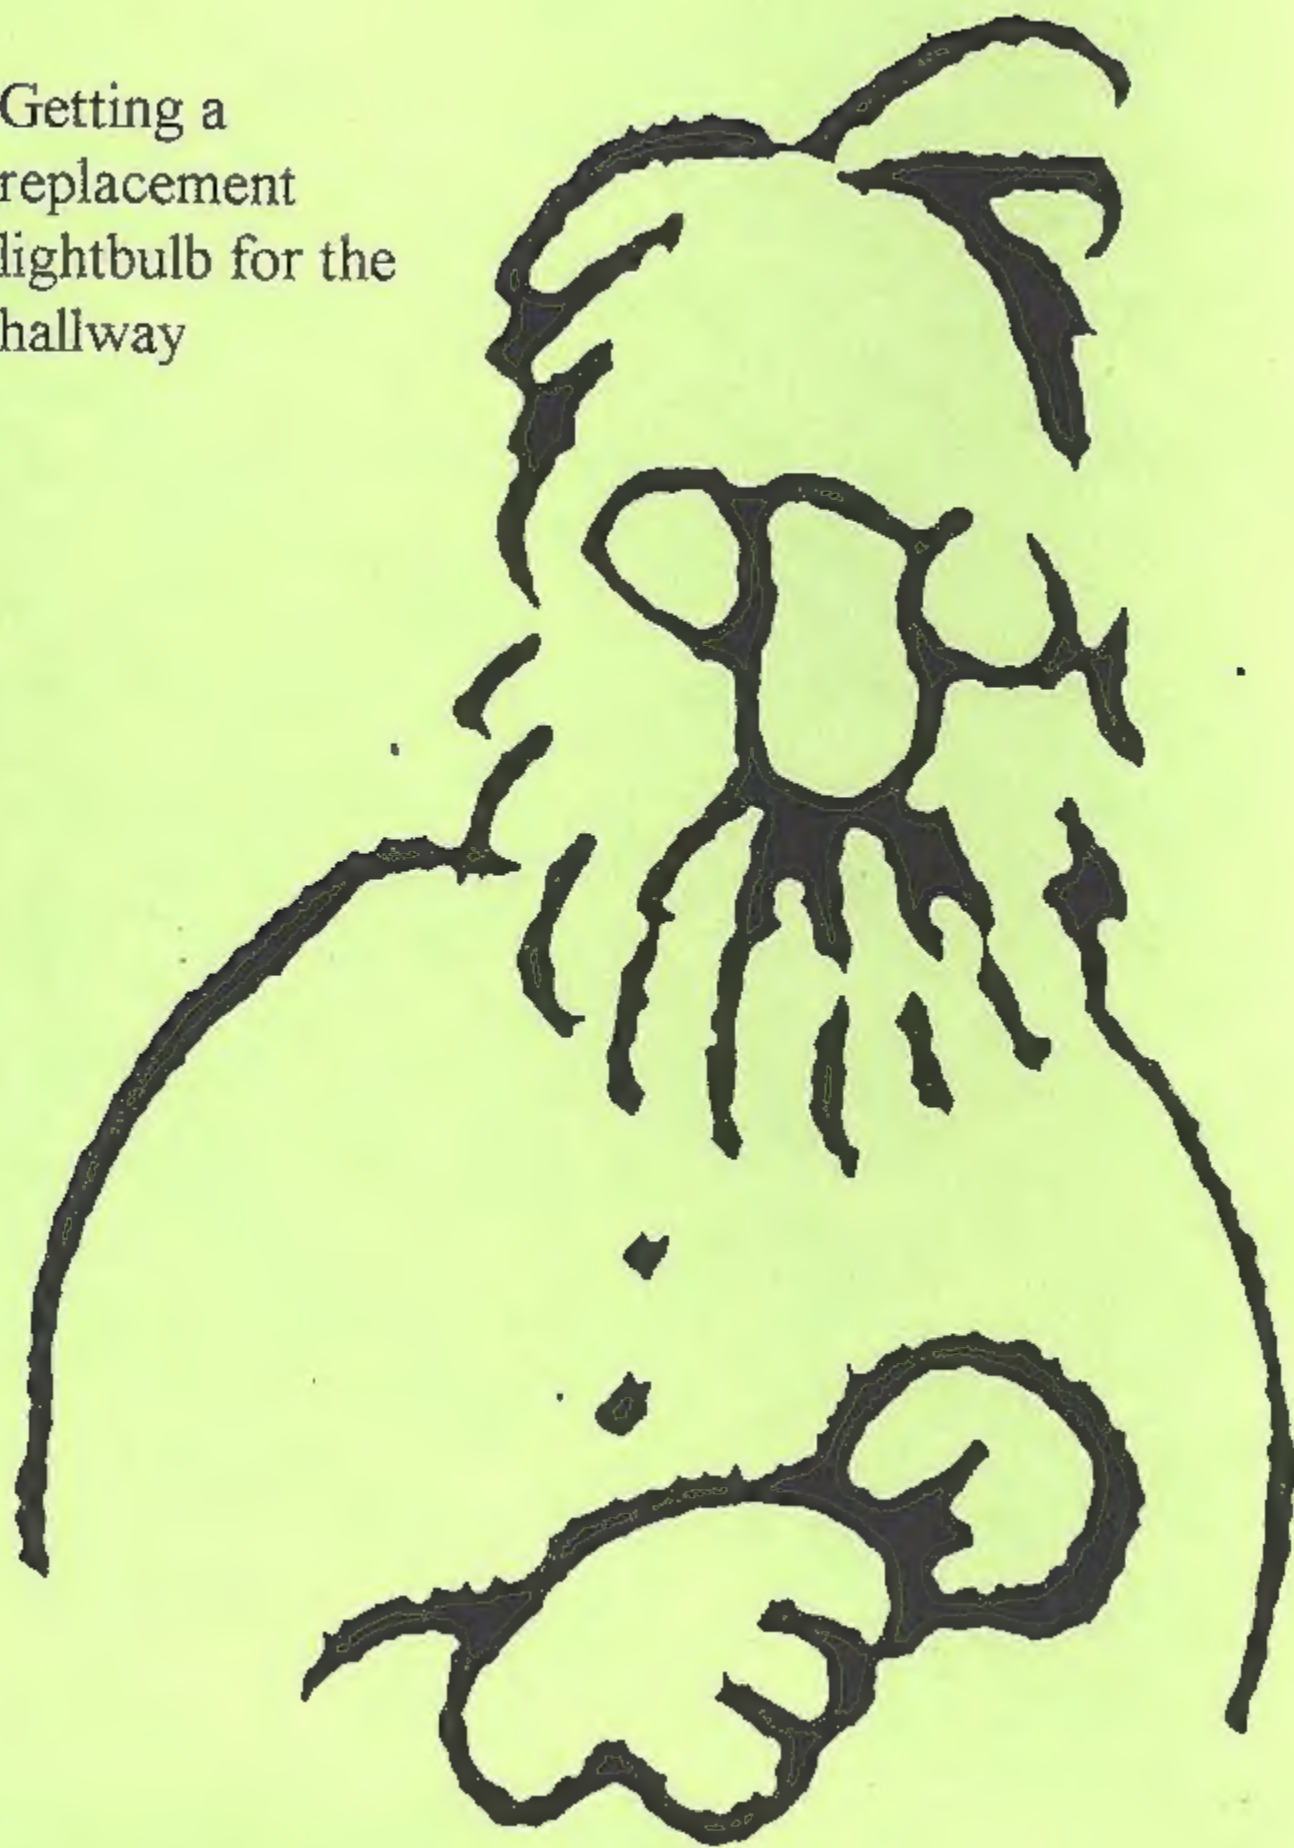

Inspecting a
toothbrush

Watching *The Wild Bunch* on video

Pretty normal so far,
wouldn't you say?

Getting a
replacement
lightbulb for the
hallway

Releasing the
helium-filled porcupine
